## *Patient Financial Responsibilities*

---

*Thank you* for choosing Kinetic Energy Physical Therapy. We consider it a privilege to provide your physical therapy care. From the moment you walk in the door until the time we regrettably have to say our goodbyes, we are committed to providing you with amazing service throughout your experience with us. In order to do so, we would like to offer the following information:

### INSURANCE

We need accurate information about your insurance. Therefore, please have your current insurance card with you at all times. Please report any changes to your insurance coverage, demographics, etc. to us as soon as possible.

Kinetic Energy PT will verify your benefits and eligibility with your insurance company; we recommend that you do the same. All benefits are subject to medical necessity and do not represent a guarantee of payment by your insurance company.

### CO-PAYS

We are required by our insurance contracts to collect all co-pay amounts at the time of service. We accept cash, check, Visa, and MasterCard. If you would like to limit the number of transactions, we do accept payment for the week in advance.

### COINSURANCE

Coinsurance is an estimated percentage of an eligible expense that you are required to pay for a covered service. These details are specific to your individual plan; please call your insurance company for details.

### DEDUCTIBLES

If you have not met your deductible we will arrange for payment with you after it is processed through your insurance company. Please note that other healthcare provider services are typically applied towards this deductible as well.

### SELF-PAY PATIENTS

We are delighted to extend a 25% cash courtesy discount to patients electing to self-pay at the time of service. Special payment arrangements can be made as needed at your initial visit if there is a financial hardship situation.

### Medicare

A physician's referral is required specifying the **duration and frequency** for physical therapy **every 90 days**. Maximum coverage is a combined benefit of \$1870.00/year for physical and speech therapies. Secondary coverage **may** help to cover additional costs (please call your secondary insurance company for details).

### STATEMENTS

Statements are sent monthly to the address provided. In the event of default, you will be referred to an outside agency for purposes of collection of unpaid balance.

### No-Show Policy

You, as a patient at Kinetic Energy PT, are personally responsible for your appointments. We reserve the right, at our discretion, to charge a \$40 No Show fee which is not billable to your insurance company. We greatly appreciate a 24 hour advanced notice for any cancellations.

## Consent to Physical Therapy

1. I have presented myself to this facility for physical therapy treatment and consent to diagnostic procedures and care provided by my attending physical therapist.
2. I understand that information from my medical record(s) kept by this facility may be used for educational administrative and/or facility approved purposes when my personal identity will not be revealed.
3. I hereby authorize the release of medical information necessary to process my insurance and authorize payment directly to the provider of services. I am responsible for any services not covered by this authorization. **I have read and fully understand the patient financial responsibilities form.**

I HAVE READ AND FULLY UNDERSTAND THE ABOVE GENERAL CONSENT FORM AND ANY QUESTIONS HAVE BEEN ANSWERED TO MY SATISFACTION.

### **Intramuscular Manual Therapy aka Trigger Point Dry Needling (TDN) Consent**

During your time with us we may recommend a specialized form of treatment referred to as trigger point dry needling (TDN), and *the State of Colorado requires us to obtain specific consent to perform this treatment.* TDN involves placing a small needle into a tight or tender muscle with the intent of causing the muscle to contract and then release, which helps to improve the flexibility of the muscle and decrease pain. This treatment does not stimulate distal or auricular points, as is done in acupuncture.

While serious complications from TDN are rare in occurrence, it is recommended you read through the possible risks prior to giving consent to treatment. The risks of TDN include:

COMMON (1-10%): muscle soreness, bruising, minor bleeding

RARE (.1-1%): fainting, headache

SERIOUS (.05 per 10,000 treatments): Pneumothorax

Nicole Rabanal, PT, CSCS has completed 93 hours of training in this procedure fully meeting the requirements of the State of Colorado to perform TDN. Finn Gerstell, DPT has completed a Level 1 course and according to the State of Colorado is allowed to perform TDN clinically in order to complete his course of study.

\_\_\_\_\_(initial) I consent to the use of TDN treatment if recommended by my attending physical therapist (we will thoroughly review the benefits, risks, and benefits prior to any treatment).
